

Meeting Minutes (35s - 2/19/2019)

Schedule

Planning to start the season early April. Shorter schedule with a maximum of 18 games. We will pick a hard end date in Mid July. Then immediately after that we will have a playoff. The format of the playoff will depend on how many teams we end up with.

Fees

League fee will be \$1,250 per team. Fees are Due March 22.

Fields

Same situation as last year except that hopefully we will get more dates at Fred George field including some weeknight games.

Rosters

We are going to require all teams to submit rosters with Player Name, Uniform number and Age. If a player turns 35 during the calendar year then they should be listed as "35". Rosters will be posted on Alan's page and can be amended as the season goes on. Rosters will be due March 15.

Game balls

Planning to use the same balls as last year. Diamond DOL-A. We discussed making this part of the league fee. If we do that it would add around \$170 to the league fee.

Practices

We have Springsax reserved every Sunday at 1pm until the season starts. If anyone wants other dates/times let me know and I will arrange it with the City. We also have Tom Brown this Saturday Feb 23 at 1pm.

Rules

Discussed a couple Rules issues but didn't come to consensus in the room that anything should change. Issues discussed: Can a player play on defense without being in the batting lineup? Courtesy Runner rule (CR can't steal, 1 team warning). 9 inning weekend games.

If you have something you would like addressed please forward it to me and the Rules Committee will address it. We can go over them and take votes if necessary at the next managers meeting.

Next Meeting

Next meeting will be at Mark Wiman's office on Monday, March 11 at 6pm. Will send out address/directions later.
